One stop same day skin lesion removals

Are you, like us, enjoying watching the new episodes of Skin A&E on Channel 5?

Mr Harmeet Khaira SMCC General Surgeon specialises in the removal of various lesions at Sutton Medical including; Cysts, Lipoma's, skin tags etc.... and, he also works at the Birmingham Private Practice featured in the television programme.

Are you looking to get your lesion removed privately? Why not send us a picture of your lump or bump, and Mr Khaira will assess this prior to your visit. He will inform you if the procedure can be carried out on the same day.

On the day the procedures are relatively quick to perform and all carried out pain free, under a local Anaesthetic.

Prices start from £350

Mr Khaira also heads a successful Varicose Vein clinic at the centre including the very popular procedure; Ultrasound Guided Sclerotherapy.
